The performance data quoted represents past performance and does not guarantee future results. Investment performance reflects fee waivers in effect. In the absence of such fee waivers, total return would be reduced. Investment return and principal value of an investment will fluctuate so that an investor's shares, when sold or redeemed, may be worth more or less than their original cost. Current performance may be higher or lower than the performance quoted. Market price returns are based upon the midpoint of the bid/ask spread at 4:00 Eastern Time and do not represent the returns you would receive if you traded shares at other times.
