Index Characteristics

Number of Holdings	22
Bloomberg ticker	SOLLIT

The performance data quoted represents past performance and does not guarantee future results. Investment return and principal value of an investment will fluctuate so that an investor's shares, when sold or redeemed, may be worth more or less than their original cost. Current performance may be higher or lower than the performance quoted. Market price returns are based upon the midpoint of the bid/ask spread at 4:00 Eastern Time and do not represent the returns you would receive if you traded shares at other times. For performance data current to the most recent month end, please call 1-888-GX-FUND-1 (1.888.493.8631), or visit www.globalxfunds.com.

Global X Lithium ETF (LIT)

All data is as of December 31, 2011

Global X Management Company, LLC serves as an advisor to the Global X Funds. The Funds are distributed by SEI Investments Distribution Co., which is not affiliated with Global X Management Company, LLC.

Investing involves risk, including the possible loss of principal. International investing may involve risk of capital loss from unfavorable fluctuations in currency values, from differences in generally accepted accounting principles, or from economic or political instability in other nations. Emerging markets involve heightened risks related to the same factors, as well as increased volatility and lower trading volume. Narrowly focused investments may be subject to higher volatility. There are additional risks associated with investing in lithium and the lithium mining industry. Current and future holdings are subject to risk.

Shares of Global X Funds are bought and sold at market price, not NAV, and are not individually redeemed from the fund. Buying and selling shares will result in brokerage commissions.

Structured Solutions AG Indexes have been licensed for use by Global X Management Company, LLC. Global X Funds are not sponsored, endorsed, issued, sold, or promoted by Structured Solutions AG, nor does this company make any representations regarding the advisability of investing in the Global X Funds.
